

2024 February Grounds 396 Total Grounds Hours for February

2/6/2024 32/202 Total Grounds Hours

Mark Koruga, Lee Blahnik, George Anderson, Tom Becker, Dick Bierman, Jim Clausen, Rick Dow, Brent Gordy, Bruce Grieshaber, John Kangas, Mike Mitchell, Dan Ridder, Mike Seipel, Keith Smith, Dawn (Thank You for the Cookies) Weber and Jim Owen had another busy morning. We split up. Some of us did some cactus cleanup on Golden Lynx next to Rick Fillion's house and also a little cactus cleanup on Wolf Run. We also filled 5 garbage cans with cactus trimmings just off the Puma Peak path leading into the Nature Park. Some of us helped Felix load their trailer. The rest of us did some major trimming near the Nature Park off Puma Peak. We took two loads to the dumpster. Felix came back and emptied our garbage cans, tackled some more of that big pile of trimmings in the wash. They took our garbage cans to the dumpster. Keith Smith brought back the gas containers and I put away the garbage cans which Felix left in the trailer. A Really Big Thank You for all of your help. Don't forget Thursday 2pm at Torres for our get together.

We spent the morning in the Nature Park. We removed a large area of invasive plants. We also removed and sprayed a bunch of volunteer bushes and Palo Verde shoots. We trimmed a lot of trees with dead and dying branches. We also removed several dead and dying trees. Keith took a load of garbage cans to the dumpster and Lee took a huge trailer load to the dumpster. Felix said they would be back to began cleaning up several big piles of branches and dead trees. Dave Sandvig was busy cleaning up the exercise areas. We called it a day. We have only started in the Nature Park. There is plenty more to do. Mark wants to do some cleanup behind Sharon's wall on Tuesday. He estimate at least 7 or 8 garbage can should be enough to do the job. Maybe we can split up and do some more Nature Park trimming also. A Really Big Thank You for all of your help.
