Republic Services Trash Collection

Homeowners/Residents: You must contact Republic Services to start your trash service. If you plan to rent out your home, you still must contact Republic Services. Republic Services will bill homeowners individually. For 2023, the HOA negotiated a monthly rate (billed quarterly) of \$17.08, with annual increases capped at 7% for 2024 and 2025.

Residents can use Republic containers, their own containers, or bags. Bags are discouraged. Additional containers available for \$4.50 per container/per month.

Trash collection is on Mondays and Thursdays, except for certain holidays. Recycle waste will be collected on Monday mornings. Collection is scheduled for early morning so containers should be out by 8:00 a.m.
