

**The Springs HOA
Vice President's Report
February 13, 2024, Board Meeting**

Garage Sale: Nancy Kelly volunteered to lead, several others assisting with communications, handouts, etc. Please let Nancy know if interested in listing your home address and items by March 2 via email dnkelly@comcast.net to be included on the garage sale handout. Garage sale is Saturday, March 9, 7 to 11 a.m.

Volunteer Appreciation Party: Karen Mitchell has volunteered to lead the Volunteer Appreciation Party on Friday, March 15, 3 to 6 p.m. in the Anza Room. The Springs resident volunteers are welcome to attend.

Happy Hours: Volunteer Coordinator is needed to lead our seven monthly Happy Hours October through April from 3 p.m. to 5 p.m. on the Fiesta Deck (or Anza Room if inclement weather). If interested, please contact Becky Schroer at 317-992-5716 or vicepresident.thespringshoa@gmail.com. Time commitment is about three hours per event. The Springs Office Manager reserves the dates with GVR and notifies the Happy Hour coordinator. GVR staff sets out/arranges the tables, including a table for snacks. For each Happy Hour, the Coordinator should:

- be on site 20 minutes before and remain until all guests leave,
- bring a container with extra napkins, small paper plates, some plastic forks and knives. This container is already stocked and with the interim coordinator, and
- make any announcements that need to be made (usually none).

Ten residents volunteered for The Springs committees during the January annual meeting. They include:

- Light bulb committee: Dennis Green
- Holiday decorations committee: Ron Stevens, Cathy Roberts, and continuing volunteers Judy Bierman and Deb Fillion
- Infrastructure committee: Don Kelly
- Grounds committee: Cynthia Drake, Dave Cooley and Kevin Fuhrman
- Social committee: Karen Mitchell

A BIG THANK YOU to all the Volunteers in The Springs who keep our community going without a professional management company (which would impact our HOA fees). Anyone interested in volunteer opportunities in The Springs, please contact Becky Schroer at 317-992-5716 or vicepresident.thespringshoa@gmail.com. Thank you!

Fire Safe Project: I hope to assist with grant writing project(s) within the next six months to secure fire-safety assistance in our neighborhood.

Becky Schroer
Vice President
