

## January Grounds 2018 Board Report

Grounds put in 192 hours this month.

Tuesday 1/02/18 20 hours - WOW What a way to start the new year. Mark and Lee fixed the leak at the office. Bob Muldoon, Jack Zanz who just joined us. Heard we were having a lot of fun and Jim later joined by Mark and Lee trimmed the low hanging branches behind Nardos. Larry Smith, John Kangas, John Frederickson, Brent Gordy, Bob Fillion cut some firewood and did some more trimming along the Nature Trail. We have some more trimming along the Nature Trail and Nardos saved for Friday.

Friday 1/05/18 20 hours - Grounds had a very nice day today. Gary Moe and Marty Swanson spent the morning at Perry Park and did an awesome job. Bob Muldoon and Lee Blahnik spent the morning doing some trimming in the Nature Park adding some more trimmings to Hot Desert pick up list. Bill Studer, Larry Smith, Brent Gordy, Dave Koch and Jim spent the morning behind Nardos trimming up the Oleanders and low hanging Mesquite branches. We got all of the equipment cleaned up and put away ready for the next event.

Friday 1/12/18 18 hours - Great day today. Larry Smith, Mark, Jim, Dave Koch, John Kangas, Jack Zanz, Brent Gordy, Bob Muldoon spent the morning in the Rio Fuerte wash all the way to Golfista. Cleaned up lots of new Mesquite and Palo Verde volunteers and some broken branches. Mark hauled out at least 4 trailer loads for Hot Desert. We still have a couple of other washes to conquer.

Tuesday 1/16/18 26 hours - WOW big day today. What a turnout. Vic and Mark worked on the wiring in the new addition. Larry Smith spent some time cleaning up some debris along Blue Fox and Don Kelly, Lee Blahnick, and Bob Muldoon spent part of the morning picking it up and putting in the dumpster. Jim, John Kangas, Hal Bieler, Jack Zanz, Dewain Winters, Charlie Jones, Bill Studer and Gary Moe spent the morning working on the other end of the Rio Fuerte wash.

Thursday 1/18/18 22 hours - What a great turnout. A big thanks to everyone. The Hot Desert cleanup was a big success thanks to you all. Mark and Vic spent the morning on the electrical in the new addition. Jim, Lee, Bob M., Marty Swanson, Don Kelly, John Kangas, Charlie Jones, Hal Bieler and Brent Gordy spent the morning in the Rio Fuerte wash hauling out the trimmings from Tuesday. On the last load out we blew a tire and ruined the rim on the trailer. So Mark went to Tractor Supply and got a new \$80 rim and tire. Bob M., Jim and Mark got the rim and tire back on were able to get the rest of the trimmings up to the dumpster in time for Hot Desert to haul it away. Great morning.

Tuesday 1/23/18 28 hours - WOW great turnout today. Thank you all. Mark and Vic worked on the electrical in the new addition. John Frederickson, Denny Dahl and Jack Zanz cleaned out the shed getting ready for sheet rock. Larry Smith, Don Kelly, Bob Fillion, and Hal Bieler worked on an irrigation leak and Jim, Bob Muldoon, Brent Gordy and Marty Swanson trimmed behind Wolf Run. We got a lot done this morning.

Friday 1/26/18 24 hours - Big day today. Mark, John Kangas, John Frederickson, and Hal Bieler installed sheet rock on the addition ceiling. Larry Smith and Don Kelly finished up the irrigation at the entrance. Lee Blahnick, Bob Muldoon, Brent Gordy, Gary Moe and Jim worked on the Wolf Run Wash almost finished.

Tuesday 1/30/18 30 hours today - Big day today and a BIG thanks to everyone. Mark, Bob Fillion, Marty Swanson and John Kangas worked on the sheet rock. Finished the ceiling. Lee, Blahnik, Bob Fillion, Charlie Jones, Don Kelly, John Kangas, Bob Muldoon, Brent Gordy, Jim Owen, Bill Studer, Denny Dahl, Gary Moe and Jack Zenz continued to clean up cactus. This time around the Nature Path. That took about an hour and then we finished up at Rio Fuerte entrance. We have a little more to do there. Denny continued to work in the shed, organizing working on the security system. Big thanks to everyone.

Friday 4/06/18 16 hours

Ron Sills took the push mower and started to mow around the Nature Path. Dick Bierman and Mark went up to the entrance and tried to get at that broken branch, they did remove some missle toe. Lee Blahnik, Dave Koch, Bob Muldoon and Jim Owen removed the cans of cactus from the Rio Fuerte wash and finished up along the Nature Path. Denny Dahl continued to work in the shed.

Friday 4/13/18 20 hours

A great turnout today. Denny Dahl continues to transform the shed. Mark did some security and walked irrigation behind Blue Fox. Dick Bierman, Lee Blahnik, John Frederickson, Dave koch, John Kangas, Bob Muldoon, Jim Owen and Jack Zenz finished up the cactus cleanup north side of the Rio Fuerte wash and then cleaned up the rattle snake cactus behind Dick's place. The snake had moved on.

Tuesday 4/17/18 14 hours

Busy morning. Denny Dahl continues to improve our shed. Mark Koruga, Lee Blahnik, John Frederickson, John Kangas, Bob Muldoon and Jim Owen moved some railroad ties and did some trimming and a lot of irrigation work behind Blue Fox.

Friday 4/20/18 16 hours

Denny was painting and working on the shed. Mark John F.,and Lee were helping HD trim up some cactus and Larry, Bob M., Dave and Jim were working in the wash. Miguel was finishing up the Rio Fuerte erosion project. Everyone was pretty busy.

Tuesday 4/24/18 18 hours

Ron Sills started early and did a great job mowing in the Nature Park. Lee Blahnik worked at the entrance to the Springs cleaning up the Raven's nest. Mark, Bob F., Bob M., Jim, John K. and Larry trimmed up some mesquites at the mail boxes in Perry Park and then proceeded to clean up the Nature trail. Looks like Denny pretty much finished up the shed. Good day today.

Friday 4/27/18 12 hours

Denny continues to straighten up the shed. Mark, Bob M., Lee, Larry and Jim outlined the path at the Rio Fuerte entrance, trimmed up some cactus and removed the light on the flag pole. Easy day today.

## May 2018 Grounds Board Report

May grounds 2018 102 hours and we had 14 volunteers this month.

Tuesday 5/01/18 12 hours

Denny hung some brackets for the pole saws. John K., Bob M., Larry, Lee and Mark hung some wire to discourage the Raven nest builders. They spent the rest of the time working on the flag pole, installing a new pulley and a new light.

Friday 5/04/18 8 hours

John K., Lee, Bob M., and Mark got the irrigation checked behind Nardos and Viva. Mark and Lee are going to the nursery Monday to buy a few plants with the hope that HD (Manny) can get them in the ground on Tuesday. They are starting earlier as things are heating up. Looks like only Mark, Lee, Bob M., Sharon, and Ron and Bob Murray are the only ones left.

Tuesday 5/08/18 28 hours

Wow Big day today. Mark, Bob M., Vic, Rick F., Bob F., Hal, and Lee worked from 7 to 11 on raising stop signs. Mark thinks they will do more signs on Friday.

Friday 5/11/18 8 hours

Ron mowed the Nature Path really windy. Bob M., Lee and Mark cleaned up Park 9 that is behind Lee's house. Then they removed Judy's cactus to be planted later probably Tuesday with a couple more donations.

Tuesday 5/15/18 6 hours

Mark, Bob M. and Lee. Put some more plants in and around Rio Fuerte wash.

Friday 5/18/18 16 hours

We had some Javelina dig up a barrel cactus we planted at Rambles and Fuerte. Think they were going for some grubs? We decided to add a rock there instead. Lee did come today, so Bob, Lee and I planted that cactus down by the entrance to the park. We had about 8 man hours today and I will have about another 8 this week with the other stuff I am doing. Bob M. weed whipped the common area behind Wolf Run.

Week of 5/21/18 9 hours so far.

I spent 3 hours working on the Nature Path this morning. I took the ATV and trailer and filled it with branches that had grown over the Path. I also raked the exercise areas and benches. Lee and I are starting at 6:00a.m. tomorrow and will paint the inside of the rosettes at the entrance before it gets too hot! We will paint fences at Rio Fuerte entrance when all the landscaping is finished there.

Friday 5/25/18 6 hours

Bob and Lee did some trimming, fixed an irrigation leak, planted some cactus at the Rio Fuerte entrance and checked out a pack rat nest.

Tuesday 5/29/18 9 hour

Mark, Bob and Lee moved some agave plants for Joe Barton and transplanted a saguaro donated by Bonnie Delvaux in honor of Ron. Joe is going to donate a bench at the Rio Fuerte entrance.

## Grounds Board Report for June 2018

June 2018 ground report/ Mark and Lee put in around 50 hours

Friday 6/1/18 4 hours

Mark and Lee did some weeds and ants. Continue to water the new plants. Will check out a tree on Rambles. Backfill valves were checked yesterday and they found one minor problem.

Tuesday 6/5/18 6 hours

Lee and I painted the railings to the park, looks good! And watered the plants. Getting warm quick in the morning now so 6 am next Tuesday.

Friday 6/8/18 7 hours

Lee and I trimmed a bunch of trees around the park. Ron Sills weed trimmed the walking path. We are all set for the weeds! Just need some rain. Finished off filling the dumpster and I am going to call it in. Also sprayed for some weeds around the dumpster area.

Tuesday 6/12/18 6 hours

Lee and I cut some bird of paradise down from behind Loretta's house and treated them with Tordon. It seems to be controlling them somewhat. They are quite prolific in that area. Lee removed a couple more message boards and we painted the posts that hold them so after Lee gets done retrofitting the boards with new latches we will install them.

Friday 6/15/18 5 hours

Mark and Lee finished another bulletin board waiting for the rain.

Tuesday 6/19/18 6 hours

Started painting the shed on Monday. Tomorrow we will hang one more message board. Lee needs to purchase 2 more message boards to finish. Lee and I had another 6 man hours today. I cleaned the fountain yesterday for Sharon. Lee and I cleaned up the nature trail today from the rains. We also hung the message board on Florida. I bought a new LED light for the office the old fluorescent one burned out.

Friday 6/22/18 6 hours

Mark and Lee hung another message board, sprayed some weeds and hung the new led light in the office.

Tuesday 6/26/18 5 hours

Friday 6/29/18 4 hours

Mark and Lee worked on the fountain, painted the wall and cleaned up some rock around the mail box on Fuerte. Getting new tires for the quad on Saturday.

**July grounds Board Report 60 hot hours for July.  
July 2018 grounds**

Tuesday 7/3 6 hours

Bob is back so yesterday Lee and Bob cleaned the walking trail and watered some plantings, they also cleaned up around the fountain. Friday we are going to mow and weed trim. Not too many weeds yet, hoping for rain late this weekend.

Friday 7/6/18 8 hours

Lee and I finished the last two message boards, they will last a very long time and are wind and waterproof! Ron and Bob were on the trail cutting the grass and trimming along the wolf run walls.

Tuesday 7/10/18 6 hours

Bob, Lee and Mark did some work with HD, did some equipment maintenance and trimmed some trees at the entrance.

Friday 7/13/18 6 hours

cleaned up some debris on the walking trail. Used the DR on some weeds. Easy Day.

Friday 7/20/18 10 hours

Bob and Lee did some grass trimming and Mark and Dick did some repair work on the big mower. Hot and humid today. Starting at 6am.

Tuesday 7/24/18 10 hours

Mark, Bob, Lee, Dick and Ron. Cleaning up debris in Perry Park, mowing and spraying for weeds and some pig weed

Friday 7/27/18 8 hours

Bob, Lee, Ron and Mark trimmed along the Nature path and finished up along the Wolf Run Wall. Then they attacked the pig weed along the golf course. Not as much pig weed as last year, but we have a few more rain storms coming our way.

Tuesday 7/31/18 8 hours

Mark, Bob and Lee cleaned up the walking trail, trimmed some low hanging branches and sprayed some pig weed. Gave the trimmings to Hot Desert.

**BOARD REPORT FOR AUGUST**  
**August Grounds 2018 70 hours for the month (Tuesday Friday hours)**

Friday 8/3/18 8 hours

Mark, Bob and Lee spent the morning in the Nature Park blowing and weeding. Checking on irrigation

Tuesday 8/7/18 8 hours

Bob and Lee put up a sign and sprayed some weeds. HD repaired an irrigation leak in Perry Park and Weed Busters sprayed some weeds.

Friday 8/10/18

Rain out

Tuesday 8/14/18 8 hours

Ron, Lee, Bob and I. I actually cut the tall stuff yesterday afternoon when no body was on the trail with the big mower. We weed trimmed the trail and along the wall on Wolf Run (again!) And I used the DR for most of the pig weed on the north end of the park. Friday if we can we will move another saguaro that Stephanie wants to get rid of, ground should be soft due to the rain.

8/17/18 8 hours

Thought I would send a long a picture of our new cactus and bench.

Larry Smith has rejoined us! Stephanie Walter's asked if we wanted another saguaro. So Friday Bob, Lee, Larry and I moved it from her house to our planting area off of Rio Fuerte. We also received a new bench from the Barton's they donated it for our small nature trail we have been working on. While they were preparing the hole and placing the bench I cleaned up the weeds with the DR by the dumpster.

8/21-24 16 hours

Irrigation checks and weed whacking

8/28 14 hours

Ron mowed, Mark, Bob and Lee weed whacked in the Nature Park. Larry and Jim checked Irrigation.

8/31/18 8 hours

Bob, Larry, Lee and Jim spent the morning trimming weeds and Lee used the DR on the pig weed behind Wolf Run. More work to do.

Friday 10/05/18 10 hours

Mark, Bob, Lee and Jim did some trimming at the entrance. Bob and Jim did some trimming along the Nature Path and Mark put a new tire on the mower and gave it a test run. Ron did some mowing along the Nature Path and Bob and Jim used the blowers.

Tuesday 10/09/18 8 hours

Mark, bob, Lee and Jim trimmed up the Texas Rangers at the gate entrance and then removed some low hanging branches on and near the Nature Path.

Tuesday 10/16/18 10 hours

Bob, Lee, Mark, Jim and Jack Zanz (Jack is back). We trimmed out the Bird of Paradise that were out of control behind Hero and Golden Lynx and Puma Peak. Replanted a cactus that had fallen

Friday 10/19/18 12 hours

Ron mowed in the Nature Park. Bob, Mark, Lee, Jim and Don (Don Kelly is back) pulled weeds in the Rio Fuerte Entrance then everyone went to the Nature Park. There we blew off the path (Jim, Bob and Lee) Don and Mark pulled buffel grass.

Tuesday 10/23/18 25 hours

We did buffel grass this morning. Actually we had a good time thanks to all the new help. Bob M., Bob F., Mark, Jim and Don Kelly led the way. Than we had some additional and welcomed help. Jo Beiler, Nancy Kelly, Linda Ruge, Katy Roberts and Mike Seipel (from the Greens.) We cleaned up most if not all the Buffel Grass in the Nature Park. A really big thanks to everyone.

Friday 10/27/18 15 hours

Lee, Mark, Don, Jack and Jim treated the agaves today. Lee and Jim did some cosmetic trimming also.

Tuesday 10/30/18 12 hours

Don, Nancy, Bob M., Lee, Mark and Jim trimmed some volunteer Mesquites and pulled some more buffel grass. Hot Desert took all of our trimmings.

## **November 2018 Grounds Board Report 114 (Tuesday/Friday) hours for November**

Tuesday 11/06/18 14 hours Great Turnout today Bob F., Bob M., Don, Hal Bieler, John Kangas, (Hal and John are back) Lee and Jim. We were able to finish up along the wall behind Wolf Run. There is a cactus problem behind Fonda. It has been an ongoing problem, Bob and I looked at it today and decided that would be a good Friday Project. We also decided that we would just leave the debris in the trailer and give it to HD on Tuesday.

Friday 11/09/18 14 hours Bob Muldoon, Lee Blahnik, John Kangas, Jack Zanz, Dick Bierman and Hal Bieler relocated a bench in the Nature Park and placed two more which were donated by Bette and Peter Briggs. Then they went to the Fonda common area and finish removing the last of the fallen cactus. Mark worked at the shed.

Tuesday 11/13/18 16 hours Lee Blahnik, Bob Muldoon, Bill Studer (Bill is back), Hal Bieler, John Kangas, John Frederickson and Jim Owen began working behind Blue Fox common area after several complaints. We may be able to finish behind Blue Fox on Friday. Mark worked on the pump at the fountain.

Friday 11/16/18 16 hours Mark continues to work on the fountain pump. Lee Blahnik, Bob Muldoon, Jim Owen, Hal Bieler, Dick Bierman, and John Frederickson almost finished up behind Blue Fox.

Tuesday 11/20/18 18 hours Bob Muldoon, Lee Blahnik, Jim Owen, Mark Koruga, John Kangas, Bill Studer, Hal Bieler, Dick Bierman and Dawn Weber spent the morning at the entrance to the Springs. Dawn, Bob, Lee and Jim worked on irrigation. Mark spent the morning mowing. John, Bill, Hal and Dick trimmed trees and remove low hanging and dead branches which they gave to Hot Desert.

Tuesday 11/27/18 14 hours Mark Koruga spent the morning in the Rio Fuerte wash with Hal Bieler as they began to clean up the wash. Lee Blahnik, Dawn Weber, Don Kelly, Hal Bieler, John Kangas and Jim Owen trimmed brush and weeds along the Nature Trail in preparation for the trimming of the Acacias, which we do every year. Friday we will return to the Nature Trail to attack the Acacias and possibly continue cleanup in the Rio Furete wash. Friday doesn't look good weather wise. Rain cancels as always, keep your eye on the weather.

Friday 11/30/18 22 hours Jim Owen and Lee Blahnik spent the morning repairing an irrigation leak at the entrance. Mark Koruga, Bob Fillion, Bob Muldoon, Jack Zanz, Hal Bieler, Larry Smith, Brent Gordy, Dick Bierman, and Dave Koch spent the morning trimming the Acacias along the Nature Trail. Jo Bieler supplied treats for the crew. Hot Desert is going to clean up after us.

Our Volunteers for November: Mark Koruga, Bob Fillion, Bob Muldoon, Don Kelly, Hal Bieler, John Kangas, Lee Blahnik, Jim Owen, Jack Zanz, Dick Bierman, Bill Studer, John Frederickson, Larry Smith, Brent Gordy, Dawn Weber and Dave Koch. What a great bunch of volunteers to work with. For anyone reading this online we welcome anyone to come and join our great group of Springs Volunteers.
