

Grounds Board Report for June 2018

June 2018 ground report/ Mark and Lee put in around 50 hours

Friday 6/1/18 4 hours

Mark and Lee did some weeds and ants. Continue to water the new plants. Will check out a tree on Rambles. Backfill valves were checked yesterday and they found one minor problem.

Tuesday 6/5/18 6 hours

Lee and I painted the railings to the park, looks good! And watered the plants. Getting warm quick in the morning now so 6 am next Tuesday.

Friday 6/8/18 7 hours

Lee and I trimmed a bunch of trees around the park. Ron Sills weed trimmed the walking path. We are all set for the weeds! Just need some rain. Finished off filling the dumpster and I am going to call it in. Also sprayed for some weeds around the dumpster area.

Tuesday 6/12/18 6 hours

Lee and I cut some bird of paradise down from behind Loretta's house and treated them with Tordon. It seems to be controlling them somewhat. They are quite prolific in that area. Lee removed a couple more message boards and we painted the posts that hold them so after Lee gets done retrofitting the boards with new latches we will install them.

Friday 6/15/18 5 hours

Mark and Lee finished another bulletin board waiting for the rain.

Tuesday 6/19/18 6 hours

Started painting the shed on Monday. Tomorrow we will hang one more message board. Lee needs to purchase 2 more message boards to finish. Lee and I had another 6 man hours today. I cleaned the fountain yesterday for Sharon. Lee and I cleaned up the nature trail today from the rains. We also hung the message board on Florida. I bought a new LED light for the office the old fluorescent one burned out.

Friday 6/22/18 6 hours

Mark and Lee hung another message board, sprayed some weeds and hung the new led light in the office.

Tuesday 6/26/18 5 hours

Lee and Mark cleaned the fountain, watered the new plants and cleaned the Walking Trail. Mark also took the wheels off the quad to replace the old tires.

Friday 6/29/18 4 hours

Mark and Lee worked on the fountain, painted the wall and cleaned up some rock around the mail box on Fuerte. Getting new tires for the quad on Saturday.
