

## **Vice President's Report For January 9, 2018**

### **Social Activities**

Monthly social activities are going smoothly on a new schedule. Meet & Greets are on the second Friday of the month. Potlucks are on the third Thursday. The next Perry Park Picnic is on January 28. See the January CHAT for details.

The date has been set for The Springs annual garage sale. It will be held on March 10. People wishing to help can contact Juanita Kauffman. Details will be available next month.

Thanks to the crew who dismantled the holiday decorations on January 6. I think that means that spring is coming.

### **Election Process**

Three candidates have indicated interest in the three positions open on the board for 2018. All is in place for the election to proceed.

### **Nutrition**

Refreshments will be provided for the annual meeting, with the theme of "Celebrate". The generous homeowner providing them wishes to acknowledge the many blessings we share here in The Springs.

### **Volunteer Recognition**

Volunteer Recognition Happy Hour was rescheduled to February 24 from 4-6pm in the Fiesta Room. Hope to see many of our volunteers and their partners there.

### **CHAT**

While not officially VP business, I want to take this opportunity to remind folks that there is a new CHAT editor, Jan Koltun, who is currently working on the February CHAT. Please consider contributing to the CHAT, and if you do so, it needs to be in her hands by January 25th. Details can be found in the January CHAT article about Jan.

Respectfully submitted,  
Rebecca Keenan
