

Board Report for January Grounds activities for 2019 180 hours

Friday 1/04/19 30 hours 15 volunteers

Mark Koruga, Don Kelly and John Frederickson ran the chipper this morning. Lee Blahnik, Dawn Weber, Bob Fillion, Bob Muldoon, John Kangas, Hal Bieler, Dave Koch, Kieth Smith, Brent Gordy, Denny Dahl, Dick Bierman and Jim Owen trimmed the big oak in Park 18 and trimmed up some low hanging branches on the corner of Fuerte and Hero.

Friday 1/11/19 24 hours

Mark Koruga, Denny Dahl and Bob Muldoon finished up the chipping at the entrance. Lee Blahnik, Bob Fillion, Don Kelly, Dawn Weber, Jim Owen, Dave Koch, Brent Gordy, Dick Bierman, and Gary Moe cleaned up a big mesquite tree at the entrance to the Springs. Judy Bierman also finished up another beautiful bench and we also placed that back on the Nature Path.

Tuesday 1/15/19 20 hours

Denny Dahl worked in the shed cleaning and organizing. Bob Muldoon and Brent Gordy unloaded the trailer from last weeks trimmings and gave it to Hoe Desert. The rest of us Mark Koruga, Lee Blahnik, Tom Becker (new to our group), Bill Studer, Don Kelly, Hal Bieler and Jim Owen did some major trimming in Park 17. Hot Desert took those trimmings also. Good day today. Thank you all.

Friday 1/18/19 22 hours

Mark Koruga and John Frederickson ran the chipper in the wash. Bob Muldoon and Jim Owen trimmed trees on top of the wash and then helped Tom Becker, Dave Koch, Dennis Dahl, Hal Bieler, Lee Blahnik, Brent Gordy and Dawn Weber work down in the wash.

Tuesday 1/22/19 28 hours

Wow what a great day. Thank you all for the great turnout. We were in the wash again. Mark Koruga, Lee Blahnik, Bob Muldoon, Dawn Weber, Denny Dahl, Brent Gordy, Dwaine Winters, Hal Bieler, Bill Studer, Tom Becker, Kieth Smith, John Kangas, Jim Owen and Melody Beiler (who joined us for the first time, thank you.) We pretty much finished the first section.

Friday 1/25/19 28 hours

Another great day. What a turnout thank you all. We were in the wash again and will be for awhile. It isn't easy but we try to have a good time. We will probably be using the chipper Tuesday. Calling all chipper fans. Mark Koruga, Lee Blahnik, Bob Muldoon, Bob Fillion, Don Kelly, Dave Koch, Denny Dahl, Brent Gordy, Gary Moe, Dwaine Winters, Melody Beiler, Hal Beiler, Keith Smith, and Jim Owen trimmed brush and filled several trailer loads for the new grounds people later this month.

Tuesday 1/29/19 26 hours

Wow another morning in the wash. A big thanks to everyone for supporting our efforts in the wash. Mark Koruga, Brent Gordy, Dewaine Winters, Lee Blahnik, Hal Beiler, Melody Beiler, Dick Bierman, Jim Owen, John Kangas, Don Kelly, Tom Becker and Denny Dahl. Looks like we will be in the wash on Friday. There will be more chipping of Friday. 9am at the shed. Hope you are able to squeeze us in. Thank you again.

Grounds February Board Report 118 Volunteer hours

2/1/19 Friday 22 hours

Another morning in the wash. We have a few more loads. Big Thanks to everyone for a great morning. Mark Koruga, Brent Gordy, Lee Blahnik, Dave Koch, Dawn Weber, Jim Owen, Don Kelly, Tom Becker, Keith Smith, Dick Bierman and Denny Dahl. Hopefully we can finish up the current wash on Tuesday.

2/5/19 Tuesday 16 hours

It was chilly this morning but we got a lot done. We finished everything in the current wash and began trimming in the next section. Bill Studer and Brent Gordy worked in that new section. Lee Blahnik, Melody Beiler, John Kangas, Keith Smith, Jim Owen, Tom Becker and Denny Dahl trimmed and loaded several trailer loads to finish the wash. Friday we will start on the other side of Golfista. We've already gotten a good start. A big thanks to everyone for all the work we got done. Hot Desert (Points West) took one load for us.

2/8/19 Friday 24 hours

Wow what a morning. We pretty much finished up the third section thanks to Dick Bierman and also Bill Studer who started trimming several mornings ago. Except for some minor tree trimming Bob Muldoon, Dawn Weber, Brent Gordy, Bob Fillion, John Kangas, Tom Becker, and Dick Bierman again, Denny Dahl, Keith Smith, Lee Blahnik, Gary Moe who worked wonders with his chain saw skills and Jim Owen pretty much finish up the major trimming. Now we have several trailer loads to haul out of the wash. Lee makes it look easy as he maneuvers the quad and trailer in and out of the difficult wash. A big thanks to everyone. Tuesday is a board meeting so we will wait until Friday to finish up that section.

2/15/19 20 hours

Another big day in the wash. Larry Smith and Jim Owen spent the morning on irrigation issues behind Nardos. Larry did a lot of leak repair and had to rewire one of the irrigation units. They all needed batteries. Bob Muldoon worked in the Nature Park Lee Blahnik, Dawn Weber, John Frederickson, Brent Gordy, Don Kelly, Tom Becker and Denny Dahl finished up removing all of the debri in the third section of the wash. One more to go. A big thanks to everyone. That was a lot of work.

2/18/19 22 hours

Bob Muldoon sent this report. Larry Smith inspected the irrigation and he repaired a few minor leaks but found no major problems. Lee Blahnik, Bob Muldoon, Bill Studer, Hal Beiler, Melody Beiler, Don Kelly, Dewaine Winters, Keith Smith, Dawn Weber and Dennis Dahl worked in the last section of the wash. Hauled out a lot of debri but still have a bunch to do. So it looks like we will be in the wash on Friday. RAIN cancels. Thanks for all you do.

2/21/19 Tuesday 20 hours

Ron Sills started off the morning by getting the weed whacker and cleaning up the Nature Park. He probably put in his usual 5 or 6 miles walking the path. Lee Blahnik, Bob Muldoon, Dennis Dahl, Bill Studer, Gary Moe, Tom Becker, Bob Fillion, Don Kelly and Keith Smith put in a full morning working the wash. Bob Muldoon says he thinks they finished it up. Lee says they picked up some trimmings between the Springs and the Greens. That helps our friends from the Greens and helps the Master Association hold down their costs. Great job and thanks for all you do.

March 2019 Grounds Board Report 178 hours

3/1/19 Friday 20 hours

Good day today. Larry Smith did some irrigation and weed whacking. Bob Fillian, Bob Muldoon, Lee Blahnik, Don Kelly, John Kangas, Dawn Weber, Dennis Dahl, Keith Smith and Jim Owen took care of a big cactus (we saved it for points west) planted and arm of the cactus we cut up and trimmed up the entrance to the Nature Trail. Thank you all it was a good day.

3/5/19 Tuesday 20 hours

Mark Koruga, Bob Muldoon and Lee Blahnik moved two cactus and planted one of them at the Nature Path entrance and the other one near Puma Peak and Wolf Run. While they were doing that Keith Smith, Don Kelly, Dennis Dahl, Brent Gordy, Dawn Weber, Tom Becker and Jim Owen did some trimming in Park 17. Mark, Bob and Lee finished up the morning cleaning up some trimmings between the Springs and the Greens.

3/8/19 24 hours

Lee Blahnik and Bob Muldoon planted a donated cactus and then they joined Mark Koruga (ran the chipper), Keith Smith, Dave Koch, Bob Fillion, John Kangas, Dennis Dahl, Brent Gordy, Dawn Weber, Tom Becker and Jim Owen in the Rio Fuerte Wash trimming up and chipping some over grown Palo Verde. More to chip unless we can get Points West to pick it up for us. It may be raining on Tuesday.

3/15/19 Friday 26 hours

Wow a really productive day today. We split up. Mark Koruga and Bob Muldoon worked in the Rio Fuerte Wash chipping up the remaining trimmings. Gary Moe, Brent Gordy and Dawn Weber did some major trimming in Park 6. Dennis Dahl, Lee Blahnik, Bob Fillion, Dick Bierman, Dave Koch, Dewaine Winter, Keith Smith, Tom Weber and Jim Owen did some trimming and clean up behind Viva and then we went to Park 6 and helped finish up.

3/19/19 20 hours

We had a good day today. Mark Koruga and Don Kelly planted some more cactus in the Rio Fuerte wash. The rest of us Lee Blahnik, Bob Muldoon, Bill Studer, Jay Messerschmidt, Larry Smith, Dennis Dahl, Keith Smith, and Jim Owen spent the morning trimming behind the Viva wash and also the area behind the shed. Lee, Bob and Keith took a load of trimmings and gave it to Points West.

3/22/19 Friday 22 hours

Big Turnout this morning. Lee Blahnik is having the bees removed Monday morning so we had to do a major trimming near the tower so the bee guy can get his equipment in to remove the bees. Brent Gordy, Bob Muldoon, Lee Blahnik, Dave Koch, Gary Moe and Jim Owen did the trimming and hauled away a huge trailer load. Larry Smith, Dennis Dahl, Mark Koruga, Keith Smith, and Tom Becker finished up the trimming near the Equipment Shed and hauled that stuff up to the dumpster.

3/26/19 26 hours

We got a lot done today. Big THANKS to Mark Koruga, Ron Sills (who mowed the Nature Path), Dennis Dahl, Don Kelly, Bob Muldoon, Lee Blahnik, Gary Moe, Tom Becker, Keith Smith, John Kangas, Jim Owen, Brent Gordy and Dick Bierman. We got the entrance to the Nature Path trimmed.

3/30/19 20 hours

Mark Koruga worked in the shed. Lee Blahnik, Dennis Dahl, Bob Muldoon, Bob Fillian, Hal Bieler, Brent Gordy, Tom Becker, Dawn Weber and Jim Owen continued to work on the Nature Path.

April Board Report 120 hours

4/2/19 Tuesday 22 hours

Mark worked around the shed. The rest of us Dick Bierman, Lee Blahnik, Brent Gordy, Bill Studer, Bob Muldoon, Hal Bieler, Gary Moe, Dennis Dahl, Dawn Weber and Jim Owen continued to clean up the Nature Trail. Points West continues to support us by taking a trailer load of trimmings. Good day today. A big thanks to everyone.

4/5/19 Friday 20 hours

Mark Koruga wanted us to remove a few rocks on the frontage road so he could mow without damaging the mower. Tom Becker, Lee Blahnik, John Kangas, Gary Moe, Bob Fillian, Dawn Weber, Hal Bieler, Bob Muldoon and Jim Owen along with Mark hauled two trailer loads to fix the Rio Fuerte wash. Then we did some much needed trimming along the Nature Path.

4/12/19 18 hours

Busy day today. Mark Koruga, Lee Blahnik, John Frederickson, Hal Bieler, and Brent Gordy treated the agaves. Bob Muldoon, Dave Koch, Tom Becker and Jim Owen transplanted a cactus donated by Jan Canning and Roger Brink (992 Blue Fox) and then we did some minor trimming in the Nature Park. The agave crew came over and loaded our trimmings and called it a day. A big thanks to everyone. A big thanks to Jan and Roger. We removed a dead cactus and planted the donated one in the same spot at the Nature Park entrance. It is a cute little guy.

4/16/19 Tuesday 16 hours.

Mark Koruga sprayed weeds. Dennis Dahl worked in the shed. Ron Sills mowed. Bob and Jim cleaned the clippings off the trail. Lee Blahnik, Bob Muldoon, Bill Studer, Hal Bieler and Jim Owen spent some time on the Nature Trail trimming up some dead branches. We will continue in the Nature Park on Friday along with a detour to a fallen cactus on Golfista. A great big thanks to everyone.

4/19/19 Friday 16 hours

Dennis Dahl worked in the shed. Mark Koruga and Lee Blahnik cut up a big cactus that Points West will haul away for us. Bob Muldoon, Tom Becker, Dave Koch, Hal Bieler, and Jim Owen cleaned up some debris in the Nature Park and then we went over to Mark and Lee and helped them with the cactus. We planted two of the arms from the cactus and then called it a day. A big thanks to everyone. It was a good day.

4/23/19 Tuesday 14 hours

Good day today. Took the DR over to Mike in the Greens. Mark Koruga, Dennis Dahl, John Kangas and Bob Fillion trimmed in the Rio Fuerte wash. Lee Blahnik, Hal Bieler and Jim Owen did some trimming in the Nature Path. Dumped a load of trimming with Points West. A big thanks to everyone.

4/26 Friday 16 hours

Mark Koruga, Lee Blahnik, Hal Bieler and Dick Bierman created an entrance to the Anza Trail for bikers, complete with a path of tree chippings. Now they don't have to get off their bikes and open the gate. Bob Muldoon, Dennis Dahl, Dave Koch and Jim Owen cleaned up some trimmings along the Nature Path. Everything looks good. A big thanks to everyone today.

May 2019 Grounds Board Report

5/3/19 Friday 12 hours

Bob Muldoon, Bob Fillion, Dick Bierman, Dave Koch, John Frederikson and Jim Owen trimmed some trees along the Rio Fuerte wash and sprayed some weeds. After dumping that trailer load we proceeded to the Nature Path and trimmed up some trees infringing on the exercise areas.

5/7/19 Tuesday 16 hours

5/31/19 Friday 12 hours

Mark Koruga used the DR behind Blue Fox. Bob Muldoon, Lee Blahnik, Mike Seipel, Dick Bierman and Jim Owen did some weed whacking at the Wolf Run entrance to the Nature Path. Janet Koltun continues to rake and maintain the exercise on Cefiro. It is a big job with lots of leaves and debris always present. A big thanks to everyone today.

Grounds June 2019 Board Report 46 volunteer hours for June

6/04/19 Tuesday 8 hours

Mark Koruga, Lee Blahnik, Dick Bierman and Mike Seipel gave Points West (Manny) a big load of weeds and branches from our Friday endeavors. Roger pointed out a low branch area south of the Springs entrance. That was also taken care which help visibility from the South frontage road. They also talked to Sunland about a problem in front of Sharon Toborg's house.

6/11/19 Tuesday 6 hours

Mark Koruga and Lee Blahnik checked irrigation behind Nardos, Sprayed some weeds at the entrance to the Rio Fuerte park, took a trip around the Nature Park and cleaned up some problem areas and marked some cactus for removal.

6/14/19 Friday 8 hours

Dick Bierman trimmed up some brush and killed some weeds at the Rio Fuerte entrance. Mark Koruga, Lee Blahnik and Jim Owen checked the irrigation at the entrance and trimmed some trees lining the frontage road, picked up some debris in the entrance wash and called it a day. We have some major chipping on Tuesday. A big thanks to everyone. Dick leaves us next week. Have a safe trip.

6/18/19 Tuesday 10 hours

Ron Sills mowed the Nature Path. Mark Koruga, Mike Seipel, Lee Blahnik and Jim Owen cleaned up the trimming with the chipper. Gave Points West some debris and pointed out some cactus issues they will take care of. Mark and Jim blew off the Nature Path and called it a day. Grounds helped with wiring a new wifi booster for the office. We have a new vacuum for cleaning debris in the fountain. Mark scrubbed the fountain and vacuumed debris on Monday. Looks good will wait until summer is over to drain and clean it again. Jan hasn't said anything yet but she has probably cleaned up the Cefiro Park and hauled away the debris. A big thanks to Everyone.

6/25/19 Tuesday 4 hours

Lee Blahnik and Jim Owen first checked out the Crystal, Florida and Wolf Run Parks. Yellow tagged some cactus and Bird of Paradise that needed to be dealt with by Points West.. The quad started acting up so we took it back to the shed. Took the golf cart and checked out low hanging branches that we will address on Friday. Lee blew off the Rio Fuerte path and I stopped by Perry Park and asked Manny to begin cleaning up the three parks we yellow tagged.

6/28/19 Friday 10 hours

Lee Blahnik, Ron Sills, Mike Seipel, Luis Rodriguez (just joined), and Jim Owen had a good morning. Picked up some of the Greens debris and did some of our own trimming around the Nature Path. We had a full trailer load so we left some to the trimmings for another day. Ron weed whacked the Nature Path and Jim blew it off. Looks good. A really big thanks to everyone for all the work you did today.

July 2019 Board Report 104 hours for July

7/2/19 Tuesday 8 hours

Bob Muldoon, Luis Rodriguez, Mike Seipel and Jim Owen spent the morning cleaning up Fridays trimmings. Points West took two loads and the last load was Nature Path trimmings. That load is up at the dump site. The Nature Path needs some more work especially behind Dick Bierman's place and we didn't get all of the Greens stuff. Maybe Friday. Everything looks good, a big thanks to everyone.

7/5/19 Friday 12 hours

Mark Koruga, Luis Rodriguez, Lee Blahnik, Mike Seipel, Bob Muldoon and Jim Owen finished up the trimming along the Nature Path and in the Greens. Looks like a big chipping day on Tuesday. 7/23/19 Tuesday 12 hours

Mark Koruga, Lee Blahnik, Bob Muldoon, Luis Rodriguez, Mike Seipel and Jim Owen spent the morning doing cleanup. Dead cactus and sagging branches. Took two big trailer loads to Points West. Bob and Jim conferred with Jan Koltun about the exercise area on Cefiro, decided to wait on that. Good day all around. A big thank you to everyone.

7/26/19 Friday 12 hours after we all untangled the flag pole. Mark Koruga and Mike Seipel finished the morning in the wash chipping up Tuesday's trimmings. Bob Muldoon, Lee Blahnik and Jim Owen trimmed up several low hanging branches which filled our trailer and which we will give to Points West on Tuesday. Tuesday will find us back in the wash finishing up the chipping. Ron Sills spent the morning weed whacking the Nature Path.

August 2019 Board Report 78 volunteer hours

8/2/19 Friday 12 hours

Mark Koruga, Bob Muldoon, Lee Blahnik, Mike Seipel and Jim Owen spent the morning cleaning up some lower branches that were growing into other plants. We managed two trailer loads one of which we will give Points West Tuesday. Met with Janet Koltun about her area on Cefiro. It freshly groomed and looked great. More low branches to look at on Tuesday. A big thanks to everyone for all you do.

8/6/19 Tuesday 10 hours

Mark Koruga, Bob Muldoon, Luis Rodriguez, Mike Seipel and Jim Owen spent the morning dealing with Mother Nature. Two trailer loads to Points West. We can easily get another trailer load on Friday.

8/13/19 Tuesday 10 hours

Bob Muldoon, Lee Blahnik, Mike Seipel and Jim Owen removed some dead cactus and cleaned up some low hanging branches . We gave Points West 3 trailer loads of trimmings this morning. Janet Koltun has Cefiro looking good.

8/16/19 Friday 8 hours

Mark Koruga, Lee Blahnik, Mike Seipel and Jim Owen had a busy morning. We cleaned up some debris on Golfista, filled the trailer with some mesquite trimmings and talked to a lady on Nardos who has complained about trees behind her house. We will save that issue for October.

8/20/19 Tuesday 12 hours

Mark Koruga, Lee Blahnik, Mike Seipel, Luis Rodriguez, Hal Beiler and Jim Owen had a busy morning. Mark spent the morning mowing the Nature Trail. Lee, Hal, Luis, Mike and Jim gave a trailer load to Points West. Mike had us trim up a few branches for the Greens which we also gave to Points West. Luis and Lee blew off the Nature Trail and we called it a day.

8/23/19 Friday 10 hours

Mark Koruga, Lee Blahnik, Hal Beiler, Mike Seipel, and Jim Owen did a lot of mowing and blowing today. Mark ran the DR behind Wolf Run, Mike and Hal did some weed whacking along the Nature Trail and Lee trimmed the weeds along Rio Fuerte wash. Lee and Jim finished up by blowing off the Nature Trail. Jan hasn't checked in but she usually spends some time on Cefiro. A big thank you for everyone's help.

8/30/19 Friday 10 hours

Mark Koruga, Bob Muldoon, Mike Seipel, Vic Bignall and Jim Owen put in a good morning. Mark and Bob mowed in the Nature Park. Bob blew off the trail after mowing was complete. Vic Bignall cleaned up the entrance to the golf course after it was mowed. Jim and Mike did some trimming around the Nature Path and we have a trailer load for Points West on Tuesday.

September 2019 Grounds Board Report 74 volunteer hours for September

Lee, Bob, Mike, Luis and Jim spent the morning cleaning up various cactus areas through out the Springs. We gave Points West 3 trailer loads. We also replanted a fallen Octillo and one barrel cactus.

9/06/19 Friday 10 hours

Mark Koruga, Lee Blahnik, Bob Muldoon, Luis Rodriguez and Jim Owen got a lot done Friday morning. Trimmed up some trees that were getting tangled up with some other plants. Sprayed some weeds on the Nature Path and blew it off. Did some other preventative maintenance and called it a day. A big thank you to everyone.

9/10/19 Tuesday 10 hours

Mark Koruga used the big mower in the Nature Area, Bob Muldoon and Lee Blahnik used the dr and the weed whacker and blew off the Nature Path. Luis Rodriguez and Jim Owen trimmed up some volunteer Mesquite and took a trailer load to Points West. We had a good day. A really big thanks to everyone.

9/13/19 Friday 10 hours

Mark Koruga spent the morning working on equipment. Bob Muldoon, Lee Blahnik, Mike Seipel and Jim Owen spent the morning working on the irrigation behind Nardos. Pretty easy day and a big thanks to everyone.

9/17/19 Tuesday 10 hours

Easy day today. Mark Koruga, Bob Muldoon, Lee Blahnik, Mike Seipel and Jim Owen unloaded a big trailer load with Points West. Then we trimmed up a fallen tree branch that Janet Kotun informed us about which was resting in the Cefiro exercise area that Jan clean out every Tuesday. That cleanup enables Jan to get in there and do her thing today. A big thanks to everyone.

9/20/19 Friday 10 hours

Mark Koruga, Bob Muldoon and Mike Seipel continued the mow and trim along the Nature Path. Lee Blahnik and Jim Owen hauled some equipment down to the Nature Path, checked out a plant request near the Fonda wash, checked out some irrigation issues on Nardos and trimmed a couple of branches on the Nature Path. We have a load for Points West on Tuesday. A really big thanks to everyone and don't forget about this afternoon. That includes our sub teacher Luis. Hope to see you all there.

9/27/19 Friday 12 hours

The first thing we did was drop a big load of trimmings on Points West. Luis Rodriguez stopped by for a minute before he left for his sub job. Than Mark Koruga and Mike Seipel spent the morning on the chipper. Lee Blahnik used the DR and began cleaning up the tall grass behind Wolf Run. Bob Muldoon, Bob Fillion and Jim Owen spent the morning trimming over hanging branches and cutting up a lot of Firewood. Big morning, it got a little wet but we got a lot done. A big thank you for all of your help.
