Jim Clausen, Rick Fillion, Bruce Grieshaber, Mike Seipel, Ron Sills, Bill Studer and Jim Owen had a good morning.

Ron mowed in the Nature Park. Mike did some weed whacking between the Springs and the Greens. The rest of us cleaned up some cactus on Wolf Run and Hero. We checked on the big cactus on Encino and decided we had done enough for one morning. Maybe we will leave that one for Felix on Tuesday. The trailer was full so we took it to the dumpster which is about half full. We caught up to Ron and he wanted to mow for awhile longer so Bill blew off the Nature Park path. Then we picked up Ron and called it a day. A Really Big Thank You for all you do.

Jim Clausen, Bob Fillion, Rick Fillion, Bruce Grieshaber, Dan Ridder, Bill Studer and Jim Owen had another busy morning.

We started out the morning going to Encino and trimming up Don Kellys cactus. It was to big to replant so we cut it up and took it to the dumpster. Then we went to the corner of Golf Fista and Florido and cleaned up some tree droppings. Then we went to the Nature Park and did some path cleanup and weed whacking and tree trimming. Bob and Jim O. went to the Rio Fuerte wash and did some trimming and spraying. Then we rejoined the crew and proceeded to the Rio Fuerte wash and did a little more weed whacking and cleaned up the wash path. We took that big load to the dumpster and called it a day. A Really Big Thank You for all you do.

George Anderson, Tom Becker, Bob Fillion, Rick Fillion, Mark Koruga, Dan Ridder, Mike Seipel, Ron Sills, Bill Studer and Jim Owen had another busy morning.

Ron and Mike continued mowing in the Nature Park. We helped Victor remove the gravel and blew off most of the Streets. We also cleaned up all of the tree pods that were littering the streets. Then we went to the Nature Park picked up the mowing equipment, took it to the shed and dumped all the street debri in the dumpster. George and Bill blew off the entire Nature Path. The rest of the crew returned to the Nature Park and did a little more trimming and took the trimmings to the dumpster also. A Really Big Thank You for all you do.

8/23/2024 14/1040 Total Grounds Hours

Rick Fillion, Mark Koruga, Mike Mitchell, Dan Ridder, Mike Seipel, Bill Studer and Jim Owen had another busy morning.

Mark did some major irrigation repair. The rest of us did some major cleanup and tree removal. We started out cleaning up some brush stumps that Felix left on Tuesday. We were thinking of removing them but they were too big and deep. We dug around them and took the chain saws cut them close to the ground. Bill got the sprayer and we sprayed the stumps and covered them up. The area looks good. Then we went to the Rio Fuerte wash entrance to the Nature Path and did some path cleanup. Then we went into the Nature Park and continued to clean up the mud and debri on the Nature Path.

We removed a huge fallen Palo Verde branch loaded the trailer and headed for the dumpster. We filled the dumpster and decided to call it a day. Mark wants to do some mowing in the Nature Park and remove some buffel grass on Friday. It will be a big job. A Really Big Thank You for all you do.

8/30/2024 18/1058 Total Grounds Hours

George Anderson, Tom Becker, Jim Clausen, Mark Koruga, Mike Mitchell, Dan Ridder, Mike Seipel, Bill Studer and Jim Owen had a busy morning.

Mark spent the morning spraying buffel grass and working on some equipment in the shed. Bill spent the morning mowing on the North end of the Nature Park. The rest of us spent the morning on the South end of the Nature Park. We did some major weed whacking, brush removal and tree trimming. We took a big load to the dumpster and with Mike Mitchell's help stomping the trimmings down in the dumpster we were able to fill it. Mike M., Mike S., George and Jim C. blew off the whole Nature Park Path. After we filled the dumpster we called it a day. A Really Big Thank You for all you do.
