

2024 October Grounds 1300 Total Hours

10/1 2024 14/1170 Total Grounds Hours

George Anderson, Tom Becker, Jim Clausen, Bruce Grieshaber, Mike Seipel, Bill Studer and Jim Owen had another busy morning in the Nature Park.

We started out on the South end of the Nature Park. Did some weed whacking and tree trimming. Then George suggested we go to the North end of the Park and do some Russian Thistle cleanup. We spent the rest of the morning cleaning up the Russian Thistle area. We didn't finish the Thistle patch but we got most of it. We can finish it probably next Friday and leave the brush for Felix. Felix cleaned up all of our Friday cleanup and came back and probably got a lot more of our cleanup today. A Really Big Thank You for all you do.

10/4/2024 18/1188 Total Grounds Hours

George Anderson, Jim Clausen, Bob Fillion, Rick Fillion, Bruce Grieshaber, Bob Muldoon, Mike Seipel, Bill Studer and Jim Owen spent another busy morning in the Nature Park.

Bob F., Bob M., and Jim O. spent the morning in the dog run. It was a mess. We did a really good job cleaning, tree trimming, weed whacking and pulling weeds out. We left a big pile for Felix on Tuesday. We filled several garbage cans with weeds and tree trimmings and took them to the dumpster. The rest of the crew went to the North End of the Nature Park and did a bunch more Russian Thistle cleanup. They did a major Russian Thistle cleanup and left several huge piles for Felix to get on Tuesday. There is a little more Thistle to remove which we will get at a later time. We are going to do some wall cleanup next Tuesday behind Viva. A Really Big Thank You for all you do.

10/8/2024 16/1204 Total Grounds Hours

George Anderson, Tom Becker, Jim Clausen, Rick Fillion, Bruce Grieshaber, Mike Seipel, Bill Studer and Jim Owen had another busy morning.

Rick is still raking and cleaning up behind the Wolf Run wall. Felix cleaned up a lot of his raking this morning. We dropped the grounds crew behind the Viva wall. George and Jim O. cleaned up a cactus on Pelotita and took it to the dumpster and Bill helped us get it into the dumpster. Then we went behind the Viva wall and checked up on the crew. Mike was busy with the DR trimmer. The rest of the crew was busy weed whacking and tree trimming. There is more to do behind the Viva wall so we will be back there on Friday. We cleaned up what we could get on the trailer and took a big load to the dumpster and we called it a day. A Really Big thank You for all you do.

10/11/2024 18/1222 Total Grounds Hours

George Anderson, Jim Clausen, Bob Fillion, Victor Frankfather, Bruce Grieshaber, Pete Nennekamp, Mike Seipel, Bill Studer and Jim Owen had a busy morning.

Bruce and Victor did some curb and stop sign repair. Mike did some major DRing in the wash. George spent the morning weed whacking behind the Viva wall. The rest of us did some raking, weed whacking and trimming behind the Viva wall. We are pretty much finished with the Viva area except for some tree trimming that needs to be done sometime this fall. We will probably go back to the Nature Park on Tuesday to finish cleaning up the Russian Thistle and maybe take a trip around the Nature Park path to do some more weed whacking and tree trimming. We can talk about it when we meet up. A Really Big Thank You for all you do.

10/15/2024 20/1208 Total Grounds Hours

George Anderson, Tom Becker, Dick Bierman, Jim Clausen, Rick Fillion, Bruce Grieshaber, Mike Seipel, Ron Sills, Bill Studer and Jim Owen had another busy morning.

Mike used the DR and did some major cleanup between the Springs and the Greens. Ron did a nice job trimming along the Nature Path. Bill blew off the Nature Park path and the one between the Springs and the Greens. The rest of the grounds crew spent the morning in the Nature Park weed whacking the Russian Thistle and other weeds. They left a bunch of huge piles for Felix to pick up. They think they got most of the Thistle in the area they were cleaning up. There is more Thistle, weed whacking and tree trimming to do in the Nature Park. There is some tree trimming that needs to be done behind some of our other walls also. We can decide what we want to do when we meet up on Friday. A Really Big Thank You for all you do.

10/18/2024 16/1258 Total Grounds Hours

George Anderson, Dick Bierman, Jim Clausen, Dave Koch, Pete Nunnekamp, Mike Seipel, Bill Studer and Jim Owen had a good morning.

Mike did some more weed whacking and trimming between the Springs and the Greens. He wants to go back there on Tuesday and he says he has some cleanup for us to do. The rest of us spent the morning in the Nature Park. We did a lot of tree trimming, weed whacking and spraying. We dragged a lot of big branches to the Nature path. We have at least three or four big piles of trimmings that we will have Felix load up and haul away on Tuesday. George and Jim C. said there is more to do so we will be back in the Nature Park on Tuesday. A Really Big Thank You for all you do.

10/22/2024 10/1268 Total Grounds Hours

Dick Bierman, Jim Clausen, Rick Fillion, Mike Seipel and Jim Owen had a really easy morning.

We sent Mike home. Dick Bierman took the sprayer and went behind his place to do some cleanup and spraying. Jim C., Jim O. and Rick spent some time checking out tree complaints on some of our walls. We spent some time on Pelotitta looking at the big tree issue and talked to the lady who lives there. We have a lot of trees that need trimming behind residents walls. We will deal with those issues later in the year. I got Felix to pick up our trimmings in the Nature Park. A Really Big Thank You for all you do.

10/25/2024 16/1284 Total Grounds Hours

George Anderson, Jim Clausen, Rick Fillion, Bob Muldoon, Pete Nunnekamp, Mike Seipel, Ron Sills and Jim Owen had another busy morning.

Bob donated a really nice blower to the grounds crew. A really Big Thank You Bob. We really appreciate the gift. It will get a lot of use. Mike took the DR and did some cleanup between the Springs and the Greens. Ron did some weed whacking on the Nature Trail. Rick blew off the path between the Springs and the Greens and then blew off the Nature Path. Rick and Jim O. took the DR back to the OK Corral and joined the rest of the crew in the Nature Park. The Crew did some major tree trimming and cleanup. There are several huge piles for Felix along the Path and inside of Park as well. We loaded the trailer with some of our trimmings and took it to the dumpster and we called it a day. A Really Big Thank You for all you do.

10/29/2024 16/1300 Total Grounds Hours

Tom Becker, Dick Bierman, Lee Blahnik (welcome back Lee), Jim Clausen, John Fredrickson, John Kangas, Mike Seipel and Jim Owen had a good morning. It was good to see John F. and John K. also.

Mike did some more mowing and weed whacking between the Springs and the Greens. We started out behind Blue Fox. We did a bunch of trimming and dead cactus cleanup. We loaded the trailer and took a big load to Felix in the Nature Park. We will probably be behind Blue Fox on Friday also. There is a big dead tree that we should remove. Looks like a lot of firewood. We stayed in the Nature Park and did some some more tree trimming and dead tree removal. We have several piles for Felix to get on Tuesday. We loaded the trailer and took a big load up to the dumpster and called it a day. OOPS we forgot Jim C. and he had to walk back to the OK Corral. So sorry Jim it will never happen again. After we cleaned up Lee and Jim O. picked up Mike's equipment between the Springs and the Greens. A Really Big Thank You for all you do.
