

President's Monthly Report – April 2026

- The Springs received a \$1,400 Firewise grant from Green Valley Council to help us continue to reduce “fire load” brush and grasses. Thanks to George Anderson and Jim Clausen for their work writing the grant
- Attended Picnic in the Park and Happy Hour
- Finalized the Wyverd Access contract and signed it with Wyverd. We will now await Wyverd's scheduling of the installation project.
- Hand delivered a letter outlining the HOA plans for the common area on the west side of Nardos to affected residents. Most residents were very understanding of the need for removing the diseased oleanders on the common area along he area.
- Worked with George Anderson and Jim Clausen to complete a Firewise grant application through Green Valley Council. If accepted, we will receive up to a maximum of \$1,400 the Grounds Committee can use for future projects.
- Worked with the grounds crew

Respectfully submitted,
Bruce Grieshaber, President
