

Santa Rita Fire District

Residential Lockbox

Program Information

A means for the Santa Rita Fire District to gain access to your home in the event you cannot open the door, or in the event of a critical emergency.

Each SRFD apparatus carries a secure and specifically designed key that is able to open your home lockbox.

The lockbox can be installed by our team, or you may elect to install yourself.

Cost: \$90 per box
Installation cost: \$25.00
