

**The Springs at Santa Rita Homeowners Association  
Vice President's Report  
January 10, 2023**

- Work on 2023 Board nominations and elections. Collected and communicated with nominee referrals; compiled biographies of current nominees for dissemination to community members.
- Along with Board President, participated in yearly performance evaluation for HOA Office Manager and HOA Compliance Agent.
- Attended monthly community Potlucks and Happy Hours - happy to report these are now active after long pause in our community due to COVID. A big thank you to our community volunteers who are doing a wonderful job of organizing and hosting.
- Ongoing communications with Republic Services to establish renewed contract for 2023.

Respectfully Submitted,

Elvira Bayless, Vice President
